

# Garland Mountain Founders Club

## *Naming Rights and Legacy Recognition*

As part of the Garland Mountain Founders Club, founding members receive permanent recognition for their role in shaping the future of Garland Mountain. These naming rights are designed to be tasteful, enduring, and highly visible, honoring each Founder in locations that reflect both the social and sporting spirit of the property.

### **Founders Legacy Wall – Restaurant Foyer**

*Founders receive permanent naming rights to a sporting clays station, marked by a professionally fabricated metal plaque bearing the Founder's business or Family name. As stations are limited, naming opportunities and preferred locations will be assigned on a first-come, first-served basis as commitments are finalized.*

## **Sporting Clays Station Naming Rights**

*Founding Members are also recognized throughout the sportingclays courses with individual station naming plaques. These castbronze plaques are mounted on dedicated pedestal postsadjacent to selected shooting stations and are viewed by thousands of shooters each year. Positioned within the natural wooded environment, each plaque becomes a lasting outdoor legacy and a visible symbol of Founders' support.*

*Together, these two forms of recognition provide a refined and permanent legacy for Garland Mountain Founders Clubmembers. Naming rights opportunities are limited andreserved exclusively for Founders.*
